WORLD BRIDGE FEDERATION

Minutes of a meeting of the WBF Laws Committee held on Friday, August 30, 2002.

Present:	**T. Kooijman**	***Chairman***
	R. Cohen	***Co Vice-Chairman***
	G. Endicott	***Secretary***
	J. Wignall	***Drafting sub-committee Chairman***
	J. Gerrard	
	A. Riccardi	
	W. Schoder	***Chief Tournament Director***

1. **The sole purpose of the meeting was to consider the minutes of the meeting of 27th August 2002.**

2. **Mr. Schoder wished to establish that that the statement in Section 1(ii) of the minutes does not record the only circumstance in which the Director should have recourse to Law 27B1(b). He observed that other circumstances may arise in which the Director may rule the insufficient bid conveyed such information as to damage the non-offending side. The committee agreed an amendment of the minute in question, deleting all after *"under Law 27B1(b)"* and substituting: "*when it is probable the result on the board would not have been obtained if the insufficient bid had not occurred and the non-offending side is thereby damaged*."**

3. **With the above qualification the minutes were agreed.**
