5. *Types Of Contest - Olympiad*

Teams will compete in accordance with schedules drawn up independently for the Open and Women's Series.

The schedule is drawn up in the expectation that there will be approximately 80 teams in the Open Series and 48 Teams in the Women's Series. If entries in either event are different from these numbers the WBF President may, at his discretion, make such changes to these conditions of contest as he deems appropriate, including varying the number of boards played in each series or in any phase of these Championships.

The groups were formed according to the criteria and procedures established by the WBF Management Committee and effected by an ad hoc committee nominated by the President.

In any case, the Round Robins will start on Sunday August 27. The knockout phase will begin on Sunday 03 September (Open Series) and Monday 04 September (Women's' Series).

5.1 *Open Teams*

The Open Teams are divided in four groups, and they will play a complete round robin of 20 board matches within each group, starting on Sunday August 27 and finishing on Saturday September 02. Four teams will qualify from each group and they will play knockout matches starting on Sunday 03 September. The Round of 16 will consist of 64 boards, followed by the Quarter Finals (80 boards), the Semi Finals (96 boards) and the Final (128 boards) finishing on Saturday 09 September.

5.2 Knock Out Phase – Open Teams

At the end of the round-robin the procedure outlined below will be followed:

1. There will be a draw to determine two pairs of groups (for instance A & C and B & D).
2. In each pair of groups the first placed team of each group chooses its opponent of the round of 16 among the 2nd, 3rd and 4th qualified of the other group.
3. Of the remaining teams, the higher placed team of each group will be automatically paired with the lower ranking of the other group
4. After the matches of the round of 16 are determined, the knockout phase will continue the way described in the example that follows:

EXAMPLE:

Assuming the draw paired groups A and C and, consequently, groups B and D:

Round of 16:

- Match 1 - 1st of A against 4th of C (by choice)
- Match 2 - 1st of C against 3th of A (by choice)
- Match 3 - 2nd of A against 3th of C (automatically)
- Match 4 - 2nd of C against 4th of A (automatically)
- Match 5 - 1st of B against 2nd of D (by choice)
- Match 6 - 1st of D against 4th of B (by choice)
- Match 7 - 2nd of B against 4th of D (automatically)
- Match 8 - 3rd of D against 3rd of B (automatically)

Quarter-finals:

- Match 9 - winner of match 1 against winner of match 7
- Match 10 - winner of match 2 against winner of match 8
- Match 11 - winner of match 3 against winner of match 5
- Match 12 - winner of match 4 against winner of match 6

Semi-finals:

- Match 13 - winner of match 9 against winner of match 11
- Match 14 - winner of match 10 against winner of match 12

There will be no carry-over in any of the knockout matches.

5.3 Women's Teams

The Women's Teams are divided into two groups, playing a complete round robin of 20 board matches within each group Starting on Sunday August 27 and finishing on Sunday September 03. Four teams will qualify from each group, and will play knockout matches starting Monday 04 September. The Quarter finals will consist of 80 boards, followed by the Semi Finals and Finals (96 boards each), finishing on Friday September 08.

5.4 Knock out Phase – Women's Teams

To determine the quarter-final matches, the procedure is the following: the first placed team from each group freely chooses its quarter-final opponent from among the 2nd, 3rd and 4th placed teams from the other group; after the choice has been made, the second placed team (or the third, if the second was already paired), from each group, must then play the lowest ranked team in the other group not yet chosen. For the semi-finals the draw shall be made in a way that the winners of the matches involving the first placed teams from each group, do not meet and if both winners can play opponents of the other group, those matches will be played. If there is still a choice, the first ranked team will have it; otherwise, there will be a draw to establish the matches. The winners of the semi-finals play the final and the losers will playoff for the third place.

There will be no carry-over in any of the knockout matches.

5.5 Sequence of Play in both series

The sequence of play in the Round Robins will be in accordance with the tables contained in Appendix D – General Schedules of Play which allow for either 20, 22 or 24 teams in the groups. For a different number of teams the same pattern will be followed. For these schedules the first named team will play North South in the Open Room.

5.6 Seating Rights in Round Robin (both Series)

During the Round Robin the first mentioned team in the schedule of play will be the home team and will sit N/S in the Open Room and E/W in the Closed Room. The second named team is the visiting team and sits E/W in the Open Room and N/S in the Closed Room. (See the regulations for line-up on section 11). If the round-robin match is played in two sessions, the first mentioned team is the Home Team in the first session and the Visiting Team in the second.

Full Details regarding Line Ups and Seating rights are contained in Sections 11 and 12

5.7 Special regulations for the Semi-Finals (both series)

In the semi finals, if two teams from the same national flag are classified, they will play each other, independently of any previously specified draw.

5.8 Authority of the Rules and Regulations Committee

The Tournament Rules and Regulations Committee has the authority to make some changes in the groups (and, as a consequence, in the sequence of play) if required by occurrences after the seeding has been announced.

The winner of the Swiss will have a choice of opponents for the semi-finals from amongst the third and fourth ranked teams.

12. Seating Rights

12.1.1 The Knock Out Phase

In the knock out phase, in each match, each series of 16 boards constitutes a session; two sessions constitute a portion.. If there are an odd number of sessions, each session constitutes a portion.

If the portions are divided into 2 sessions, the teams in turn, by draw, select a portion and decide in which of the two sessions they want to line-up after their opponents. In the other session they will line up first. There shall be a coin toss to decide which team has first choice to select a portion.

In the matches which one portion is equal to one session, the teams in turn, by draw, select a session and decide if they want to line-up before or after their opponents. There shall be a coin toss to decide which team has first choice to select a portion.

In the portion of its choice, a team sits N/S in the Open Room (and is considered to be the Home Team) and E/W in the Closed Room

If there is an odd number of portions, the winner of the coin toss has the right of choice for the majority of the portions.

12.2 Seating rights for Tie-breaks in the knockout phase

If there is a tie at the end of the quarter-finals, semi-finals, or the finals, requiring that an extra session of boards be played, there shall be a draw by the captains to determine the "Home Team". If, after the first series of additional boards, a tie still exists, the "Visiting Team" during the first extra eight boards shall be the "Home Team" for the next eight boards. to determine which team has to line-up after its opponent. That team sits N/S in the Open Room. If after 8 boards, a tie still exists for the second set of extra boards, these rights go to the other team. Line-up changes may be made before play begins for either the first or second (if needed) group of eight tie-break boards. In each case, the captain of the "Visiting Team" team lining up first shall submit its line-up at a time to be determined by the Tournament Director, the "Home Team" the other team captain within five minutes thereafter. Each group of eight "extra" boards shall be considered as a separate session. At the discretion of the captain of the "Home Team" for the second group of eight boards, a pair or pairs may play against a pair or pairs it played against during the first eight extra boards. If a tie still exists, requiring that single board "sudden death" matches be played, the line-ups and seating positions for both teams will be the same as for the second eight boards of the tie-break.

12.3 Change of Players

A change of players, pairs or partnerships can be made only at the beginning of a match or a session (but see exception in Section 15 when extra tie-break boards are played.)

13. Disclosure Of Systems And Conventions

13.1 WBF Systems Policy 2000

The WBF Systems Policy (See General Conditions of Contest, Appendix 2) forms part of these Conditions of Contest. The OLYMPIAD is considered a Category 3 event in its qualifying stages (round-robin) and a Category 2 event in the knockout phase (including the play-offs). The WTMTTC is considered a Category 3 event. In Category 2 events only (i.e. during the knock-out phase of the Open and Ladies Championships), Brown Sticker conventions will be permitted. HUM Systems are not permitted at any time (but see the WBF Systems Policy). The WSIC the WUBTC are designated Category 3 events.

13.2 Submission of Systems for the Olympiad

Each team captain is responsible for sending the convention cards by email or on a 3 ½" PC diskette to:

Mrs. Anna Gudge
WBF Systems Administrator
The Old Railway Station
Long Melford
Sudbury, Suffolk CO10 9HN
England

e-mail: systems@ecats.co.uk

as soon as possible, but in any event before July 1, 2000, for every partnership that will play in these Championships, their Systems described on the official WBF Convention Card, completed in accordance with the Guide to Completion, using the Convention Card Editor (CCE), which is available to all NBOs, , plus Supplementary Sheets, as necessary to describe conventional sequences in detail . Penalties for failure to submit Convention Cards and Supplementary in time are (in addition to Section 13.3.1) specified in Section 17.

The Convention Cards may be prepared using any of the following programs – the WBF Convention Card Editor (Windows Version), which is available for free download from www.bridge.gr or <http://bridge.ecats.co.uk>, the Convention Card Editor written by Lee Edwards, available for download from www.acbl.org, the DOS Convention Card Editor provided free of charge by the WBF, Microsoft Word, Microsoft Excel or PageMaker for the PC. Where possible (and particularly in the case of those using programs other than the official WBF Windows Convention Card Editor and the DOS Convention Card Editor) these cards will be converted, by the Systems Administrator to PDF files which can be read and printed using Acrobat Reader which is available as a free download from www.adobe.com.

Following registration of the systems for all pairs in a team, the systems will be displayed on a web site designed for the purpose, and the URL (Internet address) will be sent by email to the captain of the team making the registration and, if email addresses are provided for the team members, also to them individually. These email addresses will also be displayed on the page so that other captains who may have queries about specific systems can contact the team concerned. All such contacts should be copied, by email, to the WBF Systems Administrator (systems@ecats.co.uk).

Following the event, the WBF reserves the right to display the Convention Cards and Supplementary Sheets (but not the email addresses) in a public area for interested parties to see them. If a full system is submitted, this will not be included on such pages of the site.

13.3 Special Regulations Relating to Brown Sticker Conventions

Pairs intending to use Brown Sticker Conventions for the knock-out should list these, together with the subsequent bidding sequences in a separate text document (Word, WordPerfect, MSWorks, WordPad or similar PC document), with a note referring to them in the Section "Special Bids that May Require Defence" on the front of the card. This text document must be clearly marked with the players names, country and the event in which they are competing (i.e. Open or Ladies Teams). Brown Sticker Conventions may NOT be played in the Round Robin

13.3.1 Penalties for non-submission of Systems

Any partnership whose duly completed original Card and Supplementary Sheets have not reached Anna Gudge in accordance with these Conditions of Contest, shall (in addition to the penalties referred to in Section 17.1) be required by the Tournament Appeals Committee (unless it rules otherwise) to use the system described on the World Standard Card for not less than the first two days.

13.3.2 Distribution of Systems

The WBF deems the publication of the URL of the private web site to the Captains of all teams submitting systems in accordance with the regulation detailed above to constitute distribution of systems. All teams should make every effort to download and print sufficient copies of their opponent's systems for their own use. Should there be any changes to systems uploaded, the WBF Systems Administrator will email details to all captains / players on the email list so that they are aware of them as soon as possible. No changes will be made to any systems on the web site after 31 July 2000 except in cases of emergency, in which event full notification will be sent to all other captains. Prior to this date, the date of update will be displayed prominently on the site, and details given of any newly uploaded version.

13.4 Supplementary Sheets

Where a conventional sequence cannot be described adequately in the space provided on the WBF Convention Card, a reference number should be placed prominently at the appropriate place on the Card; a Supplementary Sheet bearing that reference number, and containing the complete explanation, must be submitted along with the Card.

13.5 Systems for the WTMTTC

Convention Cards and Supplementary Sheets, completed in accordance with Sections 13.1 and 13.4 above will be required for each player in the WTMTTC. These Cards need not be registered in advance, but all players will be required to have two copies of their Card available for the opposition at all times. This Championship is Category 3 in accordance with the WBF Systems Policy 2000

13.6 Changes to Cards/Supplementary Sheets

- (a) Any changes to the duly submitted (as per Section 13.2) Card and/or Supplementary Sheets must be submitted in official form (see (b) below) to Mrs. Anna Gudge (systems@ecats.co.uk) as early as possible for everyone's benefit, but in any event no later than 31 July 2000. These changes (which may be clarifications, amendments, minor additions, and/or cosmetic revisions) will be uploaded to the web site as soon as possible.
- (b) Official Form for changes:
 - (i) A new page of the Convention Card/Supplementary Sheet that reflects proposed change.

- (ii) A text document, also to be sent by email, detailing the changes that have been made and referring to the area on the Convention Card /Supplementary Sheet where such changes can be found.
- (c) After 31 July 2000 no further changes will be made to the web site without all teams being informed by email, and then only in emergency (for example if a pair is obliged to withdraw and the substitute pair needs to register a different card).
- (d) In order for a change to be implemented on site, it must be duly approved, signed, and dated by the Chairman of the Systems Committee or his designee, and then circulated to all relevant teams in timely fashion. Such circulation may be done by manual distribution on site at the Captains' Meeting, or through Captain's mailboxes on site. The Chairman of the Systems Committee will apply the WBF Systems Policy 2000 (See Appendix 2 of the General Conditions of Contest) when considering applications to make system changes.
- (e) Approval for a change may be given or refused in whole or part by the Chairman of the Systems Committee or his designee and may be given subject to conditions. One such condition will usually be that any such change cannot be implemented for a certain number of matches or in the course of a particular stage of the event, with possible prejudice to unprepared opponents being a particularly important negative factor. Clarifications and improvements to presentation will not be considered in the same way as substantive changes.

13.7 Special Responsibility for BROWN STICKER CONVENTIONS

With regard to BROWN STICKER systems/conventions, there is a special responsibility for users to explain their methods in sufficient detail (as per the Guide to Completion and the CCE), the first time that Cards are submitted. Brown Sticker Conventions must be presented on a separate text document, not on the main card, with a note in the section "Bids which may require Special Defence". This text document must be clearly marked with the players names, country and the event in which they are competing (i.e. Open or Ladies Teams) These conventions may NOT be used at any stage during the Round Robin. If these submissions are inadequate, the pair may be barred from using those badly or inadequately described methods for the entire tournament and certainly for at least one half of the knockout match. These penalties are quite severe, but with the duly executed distribution of these Conditions and all significant materials by the WBF, no pair will be permitted to claim ignorance of this special responsibility. The NBO, the Captains and the players are jointly responsible for contacting the WBF should there be any problems in obtaining the necessary tournament information in timely fashion.

If these materials are received prejudicially late, it is the responsibility of the jointly responsible parties to so inform the WBF as soon as possible.

13.8 Defences to Brown Sticker Conventions

- (a) A pair may prepare written defences against the Brown Stickers elements of any system (see the WBF System Policy, attached). These defences are deemed to be part of the opponents' Systems

14. Length Of Matches

10 board matches: 1 hour 25 minutes

16 board matches: 2 hours 20 minutes

20 board matches: 2 hours 50 minutes

Teams judged guilty of slow play will be subject to penalty (see Section 17). Additional time will not be allowed for teams playing on Vu-Graph; neither will extra time be granted because of the

use of bidding boxes, screens, discussions of systems or for other similar reasons. Vu-Graph presentation for any match or session, will not start until the Tournament Director notifies the Chief Commentator or his designee.

For shorter or longer matches the allowed time will be based on approximately 8 minutes and 45 seconds per board.

15. Tie-Breaking Procedures

15.1 Two Teams

If two teams are tied with the same number of Victory Points at the end of the round-robin, the tie shall be broken as follows (in the sequence shown):

- (a) IMP quotient (total IMPs won divided by total IMPs lost) in all matches played by the tied teams in that particular event. If the tie remains, then
- (b) IMPs earned by the tied teams in the match they played against each other. If the tie remains, then:
- (c) Total points earned by the tied teams in the match they played against each other. If the tie remains, then:
- (d) Total point quotient in all matches played by the tied team in that particular event. If the tie remains, then:
- (e) One board ("sudden death") matches will determine the winner.

15.2 Three Teams

If three teams are tied with the same number of Victory Points at the end of the round-robin, the tie shall be broken according to the following:

- (a) IMP quotient in all matches played by the tied teams in that particular event. If one tie still remains it shall be broken in accordance to Section 15.1. If the three teams remain tied, then:
- (b) If one of the teams earned more VPs against each of the other two in the matches it played against them in that particular event, it shall be declared winner and, if necessary, the tie between the remaining two teams shall be broken in accordance with Section 15.1. If the three teams remain tied, then:
- (c) If one of the teams earned more VPs against one of the remaining teams and tied with the other in the matches it played between them in that particular event, it shall be declared winner and the tie between the remaining teams shall be broken, if necessary, in accordance with Section 15.1
- (d) In all other cases, ties shall be broken in accordance with the following:
 - (i) Highest net total IMPs earned by the tied teams in the matches they played against each other. If one tie still remains it may be broken in accordance with Section 15.1. If the three teams remain tied, then:
 - (ii) Highest net total points earned by the tied teams in matches they played against each other. If one tie still remains it may be broken in accordance with Section 15.1. If the three teams remain tied, then:
 - (iii) Total points quotient earned in all matches played by the tied teams. If one tie still remains it may be broken in accordance with Section 15.1. If the three teams remain tied, then:
 - (iv) One-board ("sudden death") matches will determine the winner.

15.3 Four Teams

If four or more teams are tied with the same number of Victory Points at the end of the round-robin, the tie shall be broken according to the following:

- (a) IMP quotient in all matches played by the tied teams in that particular event, shall govern. Any ties remaining will be broken in accordance with Section 15.1. and 15.2 if appropriate. If there are more than three teams that remain tied after use of IMP quotients, then:
- (b) If one of the teams earned more VPs against each of the remaining tied teams in that particular event or if it has, uniquely, tied one and defeated the other tied teams, it shall be declared winner and the ties for the remaining teams will be broken in accordance with Section 15.2, if appropriate. If there are more than three teams that remain tied, then:
- (c) Total points quotient in all matches played by the tied teams in that particular event, shall govern. Any ties remaining will be broken in accordance with Sections 15.1. or 15.2 if appropriate. If there are more than three teams that remain tied after the application of total points quotient, then:
- (d) One-board ("sudden death") matches will determine the winner.

15.4 Knockout Phase

In the round of 16, quarter-finals, semi-finals, and finals, if a tie exists at the end of the match, it will be resolved by playing eight additional boards. (See Section 11 for the procedure used to determine whether teams play N/S or E/W in the Open and Closed Rooms). Should a tie still exist, eight more boards will be played. If a tie still exists, one-board ("sudden death") matches will determine the winner.

16. Disqualification

In the case of a team being disqualified, all matches it played prior to its disqualification may in the discretion of the Tournament Appeals Committee, usually depending on the validity of the matches, be declared void and the scores earned by its opponents in those matches may be cancelled or varied.

17. Penalties

The schedule of penalties which follows is supplemental to the Laws of Duplicate Contract Bridge 1997. All infringements of the Laws of Duplicate Contract Bridge 1997 will be dealt with in accordance with the Laws of Duplicate Contract Bridge 1997. Monetary fines shall be paid in U.S. Dollars, or the equivalent in local currency. Monies assessed shall be turned over to the Tournament Director for transmittal to the Chairman of the Tournament Appeals Committee. Upon publication of these Conditions of Contest no further warning is required (whether from the Director or otherwise) prior to the application of any penalty under the provision of the Laws of Duplicate Contract Bridge 1997 or of these Conditions of Contest. Victory Point penalties, where applicable, shall be deducted from the score of the offending team at the conclusion of the Round-Robin. The VP penalties shall not affect individual matches for purposes of tie-breaking procedures in any manner, but may determine a team's ranking. Penalties assessed in IMPs shall be deducted from the score of the offending team at the conclusion of the match during (i.e. in regard to) which the penalty was imposed, before its VP score is calculated. However, the score of the non offending team shall not be affected, except in the knockout phase.

17.1 Failure to File Systems in a Timely Fashion

Any team containing a partnership that, through the agency of its captain, or otherwise, has failed to comply with the time requirements of Section 13.2 shall (in addition to the requirements of Section 13.3.1):

- (a) be subject to a decision of the Tournament Appeals Committee which may forbid the team to use specific conventional understandings not submitted in accordance with these Conditions of Contest. If a disallowed convention is used, the Tournament Appeals Committee may impose penalties at its discretion; and
- (b) be fined US \$100 to be paid prior to the commencement of the Tournament.

17.2 Failure to Submit Line-up on Time

If a Captain fails to submit line-ups in accordance with Section 11:

- (a) for the first such offence a warning shall be issued by the Tournament Director;
- (b) for the second offence there shall be a fine of US\$ 20;
- (c) for the third offence there shall be a fine of US\$ 40 and for each subsequent offence there shall be a fine of US\$ 50;
- (d) penalties are cumulative.

When failure to provide the line-up in a timely fashion is due to late filing by the captain of the opposing team, penalties under this Section shall be imposed only on the captain of the team whose duty it was to file line-up first. The captain of the other team shall have five minutes after the filing of the offending team's line-up to file his own. If, after filing of the line-up by the offending team, the captain of the non-offending team exceeds the filing deadline, or the extra five minutes allocated in the foregoing, whichever is later, this captain too is deemed guilty of late line-up filing and is subject to penalty under this Section.

17.3 Lateness

Any team not seated and ready to play at the announced starting time of a match or a session of a match will be assessed a penalty according to the following scale:

17.3.1 During the Round-Robin

0+ -	5 minutes late	warning to captain(s) (after the second warning the provision for 5+ minutes late shall apply)
5+ -	10 minutes late	1 VP
10+ -	15 minutes late	2 VPs
15+ -	20 minutes late	3 VPs
20+ -	25 minutes late	4 VPs
Over	25 minutes late	at the discretion of the Tournament Appeals Committee; may include recommendation of forfeit of match or more severe action by the Executive Council.

17.3.2 During the Knock-out Phase

- 0+ - 5 minutes late warning to captain(s) (after the second warning the provision for 5+ minutes late shall apply)
- 5+ - 25 minutes late 1 IMP plus an additional 1 IMP for each full minute or part thereof beyond 5 minutes.

Over 25 minutes late at the discretion of the Tournament Appeals Committee; may include recommendation of forfeit of match or more severe action by the Executive Council.

17.4 Slow Play

The time allowed for each match or session shall be computed from the time play in such match or session is started by a Tournament Director. If play continues after the time allowed by Section 14 of these Conditions then either or both of the pairs shall be subject to penalty, according to the amount of delay for which such pair was judged responsible, as follows:

17.4.2 Excess time apportioned to a pair during the Round-Robin

0+	-	5 minutes late	1 VP
5+	-	10 minutes late	1½ VPs
10+	-	15 minutes late	2 VPs
15+	-	20 minutes late	2½ VPs
20+	-	25 minutes late	3 VPs

Over 25 minutes late at the discretion of the Tournament Appeals Committee; may include recommendation of forfeit of match or more severe action by the Executive Council.

Example: If a 16-board match or session took 2 hours and 35 minutes (excess of 15 minutes) and pair A is held responsible for 9 extra minutes and pair B for 6 extra minutes total penalty will be 2 VPs; pair A receiving 1.2 VPs penalty and pair B 0.8 VP penalty. In any case, if the Tournament Director judges that one match will be so delayed that it would disturb the starting time of the next round, he may truncate it, reducing the number of the boards played: if this happens, the match will be scored only with the boards played at both tables, but the same conversion scale will be used as that used for the complete matches.

17.4.3 Excess time apportioned to a pair during the Quarter-finals, Semi-finals and Finals

0+	-	25 minutes late	1 IMP for each minute or part thereof
----	---	-----------------	---------------------------------------

Over 25 minutes late at the Discretion of the Tournament Appeals Committee; may include recommendation of forfeit of match or more severe action by the Executive Council.

A Tournament Director or an official appointed by the President shall determine responsibility for slow play. A partnership which considers its opponents are playing slowly shall inform the Tournament Director who may appoint a monitor if he thinks it is necessary; the partnership is only protected from the time at which the Tournament Director is informed. A Director may install a monitor without being requested to by the players.

17.5 Fouled Boards

See Section 16.1 of the General Conditions of Contest for explanation. If a board is fouled and it can be determined that one side is clearly at fault, that side shall be subject to procedural penalty.

17.6 Appeals without merit

Teams will forfeit the deposit of US\$ 50 if the Tournament Appeals Committee determines the appeal was without merit. See Section 27 of the General Conditions of Contest.

18. Recording Of Matches And Verification Of Scores

18.1 Official Table Result Card

An official Table Result Card must be filled in by the North or South player at each table, for each match and sessions thereof. Team captains will determine and agree upon the scores for each match and segments thereof. At the conclusion of each match, or session of a match the Tournament Director shall post an official result. The correction period in Law 79C expires at the time specified in Section 27 of the General Conditions of Contest; and thereafter, the results will be final, with the following exceptions:

- (i) awaiting decision of the Tournament Appeals Committee on a filed appeal;
- (ii) completion of play or replay boards where such replay has been directed by the Tournament Appeals Committee.

18.2 Table Recorders

During the play of each hand of the round-robin and quarter-final matches, when there is not an official record (as in Vu-Graph matches for instance), an Approved Recorder (see General Conditions, Section 20) shall record the bidding, the lead for the first three tricks, and the result, on the Recording Form provided at the table. The Team playing North/South is responsible for the provision of such Recorders. Additional recording might be requested.

18.3 Score Corrections

Score corrections may be made as sanctioned in Law 79 and in Laws 69 and 71.

An agreed-upon score that is proven to be erroneous to the complete satisfaction of the Chief Tournament Director and the Appeals Committee, may be corrected provided that any such score has been brought to the attention of the Chief Tournament Director no later than 30 minutes after the end of play in any phase of the event except that an extension of an additional 30 minutes will be permitted following the last segment of play at the end of the day. However, no changes to segments prior to the last segment will be permitted at that time.
