3. Conditions Of Entry

3.1 General

World Bridge Championships are conducted under the auspices of the WBF and all events designated as World Bridge Championships shall be played in accordance with the Laws of Duplicate Contract Bridge 1997. These Conditions of Contest, and any Supplemental Conditions of Contest, supplement the Laws of Duplicate Contract Bridge 1997 as required.

By participating in a World Bridge Championship, each Zone and each NBO and its contestants agree that all or part of any event may be filmed, recorded, or otherwise documented or publicized at the discretion of the WBF.

Each Zone and each NBO agrees that in the interest of promoting goodwill in the world, and for the proper conduct of a World Bridge Championship, it shall instruct its contestants that they must compete against all other contestants. Entry in a World Bridge Championship and subsequent refusal to play against any other team or contestant as required by the Schedule of Play shall result in immediate disqualification of any team, or of any contestant refusing to play. Such disqualification shall extend for the balance of the World Bridge Championship involved. Furthermore, the offending contestant(s) and their Zone and NBO shall be subject to suspension from participation in any future event conducted under the auspices of the WBF (including World Bridge Championships) for such period as the WBF in its discretion shall determine.

3.2 Invitation to Participate

Participation in a World Bridge Championship is by WBF invitation only. Furthermore, no player shall be eligible to compete unless his name has been submitted in writing by his Zone or NBO to the WBF, for invitation by the WBF - see also Section 4

4. Eligibility

4.1 General

To be eligible for participation in the World Bridge Championships a competitor must comply with the Olympic Charter as well as with the rules of the WBF, and must be entered by his NBO. He must notably respect the spirit of fair play and ethics, and behave accordingly.

4.2 Credentials Committee

Pursuant to the By-Laws of the WBF, the President has appointed a Credentials Committee, whose functions shall be (subject to these Conditions)

- a) to determine all questions relating to the rights and eligibility of players and non-playing captains whose names have been submitted by a Zonal Conference or NBO for invitation to compete in a World Bridge Championship ("nominated"), taking into account the reports (if any) received from Zonal Conferences and NBOs regarding previous proceedings involving suspension of or disciplinary proceedings against players under their jurisdiction. The names of players and non-playing captains submitted by the Zonal Conferences of eligible Zones and/or NBOs for invitation to a World Bridge Championship must be transmitted to the President, or his designee, in writing, as prescribed by the relevant Supplemental Conditions of Contest;
- b) in its discretion, to refuse to invite any player or non-playing captain whose name has been submitted for invitation by a Zonal Conference or NBO, as aforesaid, to participate in a World Bridge Championship. In any such case of refusal, no reason shall be given by the Credentials Committee.

4.3 Eligibility Requirements

The Credentials Committee must be satisfied that each nominated contestant satisfied the birth and residence requirements of the Zone to which the NBO nominating him belongs and has also satisfied the eligibility requirements of WBF By-Law 8.9 (c) as follows:

Except for those players being nominated for participation in any WBF Junior Championship or Transnational Event (as defined by the Executive), to determine that any competitor in the WBF Tournaments must be a national of the country of the NBO entering him for participation, subject to the following:

- (i) *If a competitor is a national of two or more countries at the same time, he may represent either one of them, as he may elect.*
- (ii) *If a competitor who has represented one country in a WBF Tournament or a zonal tournament and who has changed his nationality or acquired a new nationality, he shall not participate in a WBF Tournament to represent his new country until three years of such change or acquisition. This period may be reduced or even cancelled upon the request of the NBO with the approval of the Executive.*
- (iii) *If an associated State, province or overseas department, a country or colony acquires independence, if a country becomes incorporated within another country by reason of a change of border, or if a new NBO is affiliated as a member of WBF, competitor may continue to represent the country to which he belongs or belonged. However, he may, if he prefers, chose to represent his country or be entered in a WBF Tournament by his new NBO if one exists. This particular choice may be exercised only once.*

AND PROVIDED THAT in the case of representation of a Zone where nominated contestants are from different NBOs, each such nominated contestant must satisfy the conditions above (as the case requires) in respect of his Zone.

Entries may be rejected if any NBO whose nominated contestants are submitted for invitation is in arrears in the payment of monies due to the WBF for annual dues or for entry fees to any WBF event (including non-championship events such as the Worldwide Bridge Contest).

No male shall be a playing member of or a substitute player in a team or pair competing in a women's event.

4.4 Eligibility for Junior Players

As a general rule, players competing in Junior events shall be aged 25 years or younger on 01 January of the year in which the competition is to take place. In the case of special events (e.g. for younger players or University events), the Supplementary Conditions of Contest shall detail the age requirements.

4.5 Eligibility for Senior Players

Players competing in Senior Championships shall be at least 55 years of age on the first playing day of any Senior Championship or Tournament.

5. Official Language

English is the official language of a World Bridge Championship. During a match the players may converse only in English unless both captains (in team games) or all four players at the table (in pairs events) agree to use some other common language at their own risk. If necessary, each captain is responsible for the provision of an interpreter for translation into English.

The Laws printed in English will be used by the Tournament Directors to adjudicate irregularities. No appeal due to misunderstanding in a language other than English will be heard.

6. Doping Regulations

All players are required to accept the regulations determined by the Olympic Movement Antidoping Code. Details of these can be found on Internet at www.olympic.org or by contacting the International Olympic Committee.

7. Ethics And Deportment

All contestants in World Bridge Championships are required to conform at all times to the highest standards of ethics and deportment. The WBF expects all teams and partnerships to play to win at all times and in all circumstances. All contestants (including non-playing captains) are also expected to accept the decisions of the Tournament Appeals Committee in a sportsmanlike manner (See also Section 31.3)

8. Dress Code

NBOs are asked to take note of the recognition of Bridge as a Sport by the IOC and requests that players should, at all times, be dressed appropriately; this is particularly the case at the Opening Ceremony and at the Victory Banquet, when it is hoped that teams could at least be uniformly dressed even if a team uniform is not available. During play appropriate dress would, for example, be an open-necked shirt, or a smart polo or sweatshirt worn with trousers or skirt as appropriate.

9. Restrictions

The following restrictions apply to the playing areas (see definition of these areas in Section 2.14)

9.1 Smoking and Alcohol

Smoking and the consumption of alcoholic beverages of any nature in the playing area is prohibited. No player may leave the playing area in order to smoke or consume alcohol before the end of his match.

Any player or team official smoking or consuming alcohol before, during or after the session in these areas will result in his team being fined 2 VP, or in the case of pairs events, will result in his partnership being fined 25% of the match points available on a board during the session. Constant violation of this regulation will result in the player being prohibited from playing and in the team official not being admitted into the playing area.

9.2 Mobile Phones, Pagers and other electronic equipment

Mobile telephones, pagers or other electronic equipment may not be brought into the playing area. Any player or team official bringing such an item into these areas will result in his team being fined 2 VP or in the case of pairs events, will result in his partnership being fined 25% of the match points available on a board during the session. The penalty is mandatory. Constant violation of this regulation will result in the player being prohibited from playing and in the team official not being admitted into the playing area..

The Chief Tournament Director may, at his discretion, prohibit a player from bringing other equipment into the playing area.

Anyone entering the playing area may be required to comply with procedures put in place by the WBF for the detection of such electronic equipment.

See also Section 28.1 for restrictions pertaining to spectators.

10. Vu-Graph

All contestants are required to play on Vu-Graph whenever assigned to do so by the President or his designee. In the absence of any contrary stipulation, the room from which play is broadcast to the Vu-Graph audience shall be the Open Room.

11. Media Presentation

Players are required to participate in any public presentation of matches, interviews etc arranged by the WBF, including video, Internet, TV, radio or any other media presentation.

12. Completion Of WBF Convention Card

12.1 Publication of Systems

Registration of Convention Cards with the WBF gives the WBF the right to publish such convention cards via Internet or to any parties at the Championship in such form as it sees fit. When full systems are registered on site, for the purposes of providing additional information, these will not be published by the WBF to persons other than those requiring them for the purpose of running the Tournament

12.2 Requirements

Contestants are required to make full written disclosure of their System and also to make a full disclosure of the meaning of any call or play in response to a proper question at the table from an opponent. The Supplemental Conditions of Contest will set forth detailed procedures for that disclosure, in accordance with the WBF Systems Policy and in addition to rules established in these Conditions of Contest.

The full written disclosure referred to in the above paragraph is made by the completion in due form of the WBF Convention Card and Supplementary Sheets as required. Partnerships are required to file their Convention Cards and Supplementary Sheets in accordance with the Supplemental Conditions of Contest.

A Card will not be regarded as having been completed in due form for the purposes of this section unless:

- a) all sections of the Card have been accurately and legibly completed, in English, in accordance with the Guide to Completion, these Conditions of Contest, and the Supplemental Conditions of Contest;
- b) the Card and Supplementary Sheets contain a clear and sufficient explanation of the System used, including, without limitation, all competitive agreements and understandings, it being accepted by the WBF that the full particulars of some sequences (such as relays) which occur in later rounds of the auction, may be omitted from the Card without

such omission constituting a breach of the requirement that the Card contain a clear and sufficient explanation of the System;

- c) the type of System and its appropriate colour are duly indicated in the prescribed place on the Card.

12.3 Supplementary Sheets

- a) The WBF Convention Card may be supplemented by the addition of Supplementary Sheets. The function of the Supplementary Sheets is to facilitate the full disclosure of Systems and the relationship of material on a Supplementary Sheet to material on a Card should be clearly indicated by corresponding numbers on both the Card and the Supplementary Sheet.
- b) The number of Supplementary Sheets allowed, as well as the procedures for amendment and variation of Convention Cards will be set forth in the Supplemental Conditions of Contest.

12.4 General

- a) If a player makes use of any conventional call not sufficiently described on his Card (including Supplementary Sheets), that player's partnership may be subject to a procedural penalty (Law 90) for the infraction and/or to disciplinary penalty as well as to score adjustments to redress any damage.
- b) The onus of disclosure is on the user. When there is a claim of damage through inadequate disclosure, the Tournament Director and the Tournament Appeals Committee will give the benefit of any doubt to the opponents.

13. Use Of Convention Card At Table

Unless otherwise set forth in the Supplemental Conditions of Contest, each member of a pair must hand to one of his opponents at the table during each Session of an event his duly completed Card and Supplementary Sheet(s) (incorporating any variations made pursuant to the provisions of the Supplemental Conditions of Contest for a specific World Bridge Championship) which shall contain in the designated place on the Card an indication of the appropriate colour. These are to be reclaimed at the end of the Session.

After withdrawing his cards from the board and until they are restored at the conclusion of the play, a player may not consult his own Card or Supplementary Sheets. He may consult the WBF Convention Booklet in respect of a call made by an opponent, but not in respect of a call made by his partner, or one made or contemplated by himself, *and he may consult written defences against Brown sticker conventions and HUM-aspects in his opponents system*

14. Alerts And Explanations

An alertable call is defined in the WBF Alerting Policy (see Appendix 3: WBF Alerting Policy)

Subject to the provisions of Section 24.2 when screens are in use, the partner of a player who has made an alertable call must immediately alert his opponents unless they have stated, before the auction started on the first board of the set, that they do not

wish to be alerted. It is the responsibility of the alerting player to alert clearly. No explanation of the meaning of the alertable call should be made unless requested by an opponent. Request for explanation of an alertable call may be deferred until later in the auction, or until after the auction has closed in accordance with Law 20.

15. WBF Convention Booklet

Except in the case of initial action, whether offensive or defensive, showing two or more specified suits (for which the suits involved must be specified on the convention card) a reference on the Card to the name of a convention described in the WBF Convention Booklet which is contained on the WBF CCE or obtainable from www.ecatsbridge.com [Documents section] shall be deemed to incorporate on the Card the full text of the relevant convention as described in the WBF Convention Booklet. Should any modification of the description contained in the WBF Convention Booklet be used, sufficient details of such modification must appear on the Card in the appropriate section where the subject convention is named. No modification should be written on the WBF Convention Booklet itself.

16. Non-Playing Captains In Team Tournaments

16.1 General

A non-playing captain (NPC) may observe his team during play subject to the rules set forth in this Section and to any supplementary regulation made from time to time by the WBF before a World Bridge Championship begins. The NPC must enter the room before play begins at the start of a Session, and if the NPCs of both teams are in the room, they shall sit on the same side of the screen. In case of dispute the "Home Team" captain shall decide on which side of the screen they will sit.

16.2 Procedure during matches

- a) An NPC who leaves the room, except as provided in this Section, cannot return during that Session. Exceptionally, if the NPC is requested to leave the playing room (for the purpose of consultation or for whatever reason) by a Tournament Director, the President, the Chairman of the Tournament Appeals Committee, or the Chairman of the Tournament Rules and Regulations Committee, he may (but need not) be permitted to return to that playing room at the discretion of the Tournament Director.
- b) An NPC is bound to the same restrictions as spectators (Law 76), except that he may intervene to restrain misbehaviour or curtail unnecessary discussion on the part of his team members, and may with the concurrence of the Tournament Director speak to questions of fact or law, after the Tournament Director has been called to the table, but may not call the Tournament Director.
- c) During the time allowed for a Session, whether play is actually taking place at the moment or not, an NPC should not address members of his team at the table in any but the English language or in a language understood by the opponents. If it is desired to use a language other than English, the permission of the opponents should be sought, and, where reasonably possible, should be given. If difficulty arises, an NPC wishing to speak to his team in a language not known to the opponents should do so through

an interpreter or team member who can translate for the benefit of the opponents.

- d) At any time when a comparison of scores is allowed a non-playing Captain may draw his players' attention to his observation of an infraction but he is bound as a spectator by Law 76B until that time.

16.3 Delegation of responsibility by the NPC

NPCs are responsible for the performance of various functions detailed in these Conditions of Contest and the Supplemental Conditions of Contest. While the WBF recognizes the importance of other team officials (such as deputy-captain, coach, etc.), it is only when they are specifically named by the NPC, and have been invited to participate in the relevant World Bridge Championship by the WBF, that they may perform certain of the official functions assigned to the NPC. Such additional team officials may not enter the playing rooms unless they obtain the permission of the Tournament Appeals Committee and such Committee may impose conditions on such entrance in its discretion.

17. Substitutes In Team Tournaments

If, for any reason, a team is unable to produce four players, either at the start of a Session or because of an emergency that develops during the Session, the Tournament Director, in consultation with the captain of the team, may designate a substitute to complete the team. A substitute need not be a member of the NBO or the Zone represented by the team on which he or she substitutes, but must not be a player from another team and may not be a male in the case of an event restricted to women.

The Tournament Director, having designated a substitute, shall inform the Chairman of the Appeals Committee or his designee as soon as practicable. The results obtained by the substitute shall stand unless the Tournament Appeals Committee judges that the substitute's bridge skills were considerably greater than those of the player replaced, in which case an adjusted score may be determined. Whether or not the result stands, the Tournament Appeals Committee may impose appropriate penalties when it judges a team to be at fault.

The Tournament Appeals Committee shall have authority to determine whether, and to what extent, a substitute may become a permanent replacement.

18. Substitutes In Pair Tournaments

The Chief Tournament Director may make emergency substitutions whenever they are necessary to the smooth operation of the game. If this will, or may, cause the resultant disqualification of any contestant, the contestant shall, where practicable, be notified at the time the substitution is made.

19. Forfeits In Team Tournaments

If a team is unable to play or complete a match, the Tournament Appeals Committee may find that team to be in default and declare the match forfeited. The team in forfeit shall score zero Victory Points and zero IMPs for that match. The team winning the forfeited match shall be credited with such number of Victory Points as the Tournament Appeals Committee shall consider to be equitable in all the circumstances.

If it is, or becomes, necessary also to assign an IMP score for tie-breaking or carry-over purposes, the winning team shall be credited with the average number of IMPs, rounded up, which earn the assigned Victory Points score.

20. Substitute Boards In Team Tournaments

A “substitute board” is one introduced into play in a Session or a match, to replace a board already played at one or both tables. Depending upon the decision of the Tournament Appeals Committee, the results of a substitute board may, or may not, be counted as part of the Session or match. Substitute boards are put into play by the Tournament Director either on his own volition or by direction of the Tournament Appeals Committee.

21. Fouled Boards

A board is considered “fouled” if the Tournament Director determines that one or more cards were misplaced in the board in such a manner that contestants who should have direct comparison did not play the board in identical form. If in a team event a pre-duplicated board is wrongly dealt and Law 13 of the Laws of Duplicate Contract Bridge 1997 applies in such a way that the board cannot be played, the board is considered to be a fouled board.

21.1 Fouled Boards in Team Tournaments

A board is not considered fouled if the boards played in the same match are identical even though that board may differ from the like numbered board played in simultaneous matches.

In general, a fouled board should be replayed through the substitution of a new board. In addition, penalties will apply in certain circumstances (in accordance with the Supplemental Conditions of Contest). Replays through the substitution of one new board shall not be permitted after the result of a match may be known to the contestants, as to which circumstances the Tournament Director’s decision shall be binding. That match is scored as though the board had never been played*.

The same rules apply whenever a substitute board would normally be played, for example, when a board is nullified by the Tournament Appeals Committee. When the Tournament Director has reason to believe the Tournament Appeals Committee may wish to have a substitute board played in the final Session of a match, he should have a provisional board played during the Session with an extra time allowance of 8 minutes. The Tournament Director, on his own volition, may instruct that a provisional board be played pending a future decision.

***Example:** if the 7th board in a 16-board match is fouled and the error is discovered when the contestants are computing the result of the match, the board is disregarded and the match is scored as though it consisted of only 15 boards.

21.2 Fouled Boards in Pair Tournaments

When a board has been fouled, the Tournament Director shall determine where the foul occurred. If guilt can be determined, penalties should be assessed in accordance with the Supplemental Conditions of Contest.

Procedures for scoring fouled boards are contained in the Supplemental Conditions of Contest.

22. Bidding Boxes

22.1 General

Bidding boxes will be used throughout a World Bridge Championship.

Starting with the dealer, players place the bidding cards on the table in front of them, from the left and neatly overlapping so that all calls are visible and faced towards partner; players should refrain from touching any bidding cards until they have determined their call. A call is considered to have been made when the bidding card(s) is removed from the bidding box with apparent intent (but Law 25 may apply).

Alerts should be made by the use of the alert card; it is the responsibility of the alerting player to ensure that his opponents are aware of the Alert.

Playing without screens a player “announces” a skip bid by placing the Stop card in front of him, then placing his bid card as usual, and eventually removing the Stop card. His LHO should not call until the Stop card has been removed. (If the Stop card has been removed hastily or has not been used, an opponent may pause as though the Stop card has been used correctly.)

Until they are removed from the table, a player obtains a review of the auction by inspecting the bidding cards. When such inspection is not feasible a player may obtain a written review of the auction at his first turn to play to trick one.

If screens are in use, the bidding cards are removed from the box and placed in the tray from the left and neatly overlapping so that all calls are visible and faced towards partner; the players should make every effort to see that these actions are performed as quietly as possible.

22.2 Changes to Bids Made

A call placed and released may be changed :

- a) If it is illegal or inadmissible (in which case the change is obligatory), if screens are in use, as soon as either screenmate is aware of this; or
- b) If it is determined by the Director to be a call inadvertently selected or
- c) Under the provisions of Law 25 (the penalty provision of Law 25B does not apply if the first call is not transmitted through the screen)

see Section 24.3 for procedures when screens are in use, subject to which a call placed and transferred to the other side of the screen becomes subject to the normal provisions of the Laws.

23. Play of the Cards

During the course of play, each card should be played towards partner in a consistent manner and placed on the table in the same position each time so that it can be seen by all players at the table.

Quitted tricks should be placed consistently in a neat row in front of the player, evenly overlapping with tricks won pointing towards partner and tricks lost pointing towards the opponents.

24. Screens

Screens will be used whenever possible in a World Bridge Championship.

24.1 Description of the Operation

The North and East players sit on the same side of the screen throughout. It is North's responsibility to place the board on, and to remove the board from, the bidding tray. It is West's responsibility to adjust the screen aperture. The sequence is this: North places the board on the bidding tray. The aperture is closed (and remains so during the whole of the auction period) so that the bidding tray can just pass under it. The players remove the cards from the board.

Calls are made with the cards from the bidding box. The player places the selected call in the bidding tray, which will be visible only on the player's side of the screen. A player's first call should touch the extreme left of his own segment of the bidding tray, with subsequent calls overlapping neatly and evenly to the right.

After two players on the same side of the screen have made their calls, North or South (as the case may be) slides the bidding tray under the centre of the screen so as to be visible only to the players on the other side. They then make their calls in like manner and the bidding tray is slid back again. This procedure is continued until the auction is completed.

After all four players have had the opportunity to review the auction (equivalent to the right of having the auction restated) the players replace their bidding cards in their respective bidding boxes.

After a legal opening lead is faced, the screen aperture is opened the minimum necessary to permit all players to see the dummy cards and the cards played to each trick.

24.2 Alerts and Explanations

- a) A player who makes an alertable call as defined in Appendix 3 must alert his screen-mate, and partner must alert on the other side of the screen when the bidding tray arrives there. The alert must be made by placing the Alert Card over the last call of the screen-mate, in his segment of the bidding tray; the alerted player must acknowledge by returning the Alert Card to his opponent. A player may, by written question, ask for an explanation of an opponent's call; the screen-mate then provides a written answer.
- b) At any time during the Auction a player may request of his screen mate, in writing, a full explanation of an opponent's call. The reply is also in writing.
- c) At all times from the commencement of the Auction to the completion of play each player receives information only from his screenmate about the meanings of calls and explanations given. Questions during the play period should be in writing **with the aperture closed**. The screen is raised after the response has been made.

24.3 Modifications of Penalties when Screens are in Use

The Laws of Duplicate Contract Bridge 1997 are in effect except as specified below:

- Law 9A2(b)(1); Law 42B(3); Law 43A(1)(b) - Dummy may call attention to a defender's card prematurely exposed.
- Law 13 - The artificial adjusted score and penalty prescribed in the first paragraph apply only if the call has been transmitted to the other side of the screen.
- Law 20 - Review of the Auction. Until the bidding cards are removed from the tray, a player obtains a review of the auction by inspecting them. At trick one, when a player is still entitled to obtain a review and an inspection of the bidding cards is no longer feasible, a player obtains a written review of the auction from his screen mate.
- Laws 25 through 32; Law 34; Laws 36 through 39 - For the infractions covered by these laws, the following procedures are used:
 - a) Tray not Passed. Before the tray is passed, the offender's screen mate shall call attention to the infraction and summon the director. The director shall see that the infraction is rectified without penalty. These infringing calls may not be accepted.
 - b) Both Sides at Fault. When the infringing call is nonetheless passed across the screen, both sides being at fault (as when either player commits a bidding infraction and the proper player - North or South - moves the tray before rectification), both players on the other side of the screen are responsible for calling attention to the infraction and summoning the director. The director shall return the tray to the offending players for rectification of the irregularity without penalty. These infringing calls may not be accepted.
 - c) Only one side at fault: When a call is passed across the screen both players on the other side of the screen are responsible for drawing attention to any infraction and summoning the Director. If B is not found to apply and except as otherwise provided in these General Conditions a call placed and transferred to the other side of the screen is subject to the normal provisions of the laws.
 - d) Irregularity not Noticed. When the infringing call is passed across the screen, and neither player there draws attention to it, the tray eventually being returned to the side of the screen where the bidding irregularity was committed, the auction stands without penalty or rectification. However, in the case of an inadmissible call, Law 35 applies.
 - e) Information - Authorized or Not. Information from withdrawn calls is unauthorized for any partnerships at fault but authorized for a player or partnership that has committed no irregularity. If the Director determines that the unauthorized information from withdrawn calls precludes normal bidding, he shall award an artificial adjusted score.
- Law 33 - The subsequent call is cancelled without penalty.
- Law 40 - Alerts. When an alertable call is made, the player alerts his screen mate. When the tray is passed, both players should immediately alert partner's alertable call.
- Law 41A - Opening Lead Out of Turn. The offender's screen mate should attempt to prevent any opening lead out of turn. A faced down lead out of turn is retracted without penalty. A faced opening lead out of turn is retracted without penalty if the screen has not been raised. When the screen has been

raised after a faced opening lead out of turn - through no fault of the declaring side (a) and the other side has not yet led face up, the lead is considered to be out of turn and Law 54 applies; (b) and, the other side has also led face up, the card becomes a major penalty card.

When the declaring side has incorrectly opened the screen, the lead is accepted. The Director shall award an adjusted score if he considers that the player who opened the screen could have known that it would be to his advantage to accept the lead.

- Law 73D - During the auction period, after an opponent has acted quickly, it is proper to adjust the tempo back to normal by either delaying one's own call (place the bidding card faced, in front of, but not on, the tray) or by waiting before passing the tray. Further delay is allowed to randomise the movement of the tray.
- Law 76 - Spectators. Spectators may not sit so they can see both sides of the screen.

25. Duplicated Boards -

Whenever possible duplicated boards will be used throughout all World Bridge Championships,

26. Approved Recorder

An "Approved Recorder" means:

- a) any person subject to approval of both teams and by the Chief Tournament Director
- b) a person approved for the purpose by the Chief Tournament Director or his designee
- c) either Captain of the playing teams, or
- d) the North or South player

27. Curtain Cards

At the start of each match, or session of a match, which is played with the same set of boards in both rooms, each player is required to write the name of his NBO on a Curtain Card. At the conclusion of play of the first board, in each room of a match, each player should place the Curtain Card on top of the bridge hand so that it may be read after playing cards have been returned to the duplicate board. After the boards are moved to the other table in the match, each player shall examine the Curtain Card in the pocket of the designated position. If the Curtain Card names the NBO of the opponents the play proceeds. If the Curtain Card names the player's own NBO or an NBO other than that of the opponents, the Tournament Director must be summoned forthwith, before the playing cards are removed from the duplicate board. Failure to follow this procedure will result in penalties at the discretion of the Tournament Appeals Committee.

28. Attendance In Playing Rooms

Subject to any supplementary regulations made by the Executive Council or special permission of the President, only the following are permitted to enter the playing rooms:

- a) participants assigned to play in that room;

- b) Tournament Directors;
- c) personnel needed to operate these Championships, including assigned recorders, scorers, timers, caddies and Vu-Graph personnel;
- d) the President;
- e) Chairman of the Tournament Appeals Committee and Tournament Rules and Regulations Committee;
- f) members of the Tournament Appeals Committee who are on duty;
- g) staff personnel for provision of refreshment and room cleaning, if necessary;
- h) "Officials on duty" appointed for a specific session or sessions by the President;
- i) a maximum of two members of the Daily Bulletin staff to be named by its Editor;
- j) a maximum of eight approved journalists who have been accredited by the President (or his designee) of the International Bridge Press Association (IBPA) and ratified by the Chairman of the WBF Credentials Committee or his designee;
- k) one member of the World Championship Book staff to be named by its Editor.

The assignments of places in the playing rooms to those in categories (i), (j) and (k) shall be made by the Editor of the Daily Bulletin subject to the following rules: (There are a maximum of 11 individuals who represent categories (i) (j) and (k). For purposes of the following, those 11 are considered a single group and members of it are referred to as "representatives".)

- Except by permission of the President, not more than one "representative" shall be at any table at the same time; preference will be given to category (i).
- The "representative" must enter the room before the session begins, must remain on the same side of the screen throughout the session and, should he leave before the end of the session, may not re-enter any playing rooms.
- "Representatives" in categories (i) (j) and (k) may be assigned to Open and Closed Rooms.
- A "representative" from category (j) may not be assigned to either room of a match that is presented on Vu-Graph. A "representative" from category (i) may be assigned only to the Closed Room of a Vu-Graph match. However, if both rooms of a match are being simultaneously presented on Vu-Graph, "representatives" from all categories shall be excluded from both playing rooms of that match.
- A "representative" from category (j) who is from the same NBO as a player in that room, is deemed to be, for purpose of Law 11, a spectator for whose presence at the table that player is responsible. Accordingly, the player's consent is required for the "representative's" presence at the table.

The Executive Council may increase the number of the approved journalists specified in (j) above if the space available and the security conditions permit.

Subject to conditions of play, the President may permit spectators to watch matches in the Open Room. In this event, a spectator should be seated at one side of the screen and no more than six spectators may watch at any one table. Spectators can only watch one match. Non-playing players from a team are not permitted to watch either own team's match.

If matches are designated as "Pit Matches", additional spectators will be permitted to enter the Open Room, and, should this be the case, notice will be given in the Daily News on site.

An individual who observes an irregularity when a spectator is subject to the inhibition in Law 76B until a ruling on the board may no longer be sought (see section 28). "Representatives" are spectators, as also are other non-participants observing the play.

28.1 Restrictions

The following restrictions apply to the playing areas (see definition of these areas in Section 2.14)

Spectators are not permitted to smoke or consume any alcoholic drinks these areas, nor may they bring mobile telephones, pagers or other electronic equipment into these areas. Spectators contravening any of these regulations will be required to leave the playing area immediately and will not be permitted to return for the remainder of the Championship without specific permission from the Chief Tournament Director.

The Chief Tournament Director may, at his discretion, prohibit a spectator from bringing other equipment into the playing area.

Anyone entering the playing area may be required to comply with procedures put in place by the WBF for the detection of such electronic equipment.

29. Pit Matches

The WBF may allow the Open Room segment of selected matches in the Round-Robin to be played in special areas (Pits) designed for spectators to observe the play. Such matches are referred to in these Conditions as "Designated Pit Matches" and (if they take place) may be subject to supplementary regulations issued by the WBF after the date of these Conditions of Contest. However, spectators at any Designated Pit Match shall not include non-playing team members from either of the competing teams.

30. Rulings And Appeals

The Tournament Director shall be summoned to a table as soon as attention is drawn to an irregularity. After the Director has given the ruling, any appeal against such ruling must be lodged in accordance with Section 32.

31. Tournament Appeals Committee (see definition in Section 2.22)

31.1 General

All appeals of rulings of the Tournament Director shall, subject to Sections 34 and 35 and where applicable subject also to Section 31.2, be heard and decided by the Committee. The Chairman or his designee shall convene the Committee at the conclusion of Sessions or at any other time he deems appropriate, and shall divide the Committee into smaller committees each having neither fewer than three nor more than five members. Each such

committee shall have all the powers of the Committee for the purpose of deciding the matter in question. The Chairman or his designee will nominate a member of each such smaller committee to be its chairman.

The Code of Practice for Appeals Committees will apply. Players should note the procedures which the Code calls upon them to adopt (as, for example, that they should randomize and make unpredictable the tempo of passing the tray).

31.2 Authority

During the course of any World Bridge Championship the Committee may in its discretion investigate any matter touching upon or arising out of the Laws of Duplicate Contract Bridge 1997, or these Conditions of Contest, or the Supplemental Conditions of Contest, however that matter may have come to the attention of the Committee; and the decision of the Committee in respect of any such matter shall be arrived at in the manner referred to in Section 33.1, and shall, subject only to Section 33.1 of these Conditions, be final in all cases.

31.3 Team Requirements

The WBF expects all teams and partnerships to play to win at all times and in all circumstances. While a team may rest its players and make other decisions for strategic reasons, it is not permissible for a partnership to play by design to obtain a session score inferior to that of its opponents, and the Committee shall have the authority to determine on such evidence as it considers sufficient whether a partnership has done so. Any such finding will constitute grounds for such penalties as may be imposed by the Committee, which shall also be empowered to recommend that the Executive Council disqualify or suspend the offending contestant.

32. Lodging Of Appeals

A request for, or appeal of, a Tournament Director's ruling must be lodged within 30 minutes of the first posting of the official score for the Session in which the board was played that is the subject of the ruling

All appeals must be lodged by the team's Captain or his designee, or by one member of the pair in the Pairs events.

An appeal may take one of two forms:

- a) it may be an appeal of the Director's ruling as to an infraction or otherwise, and any consequent decisions. This would be heard in accordance with Section 33 following, or
- b) it may alternatively be a Request for Review of the score adjustment where the appellant does not wish to challenge the finding of an infraction. The Tournament Appeals Committee would normally give a decision on this on the basis of the documentation alone.

32.1 Deposit for Appeals or Requests for Review

When lodging an appeal or a Request for Review the appellant must deposit US \$50 with the Tournament Director. This deposit will be refunded unless the Committee determines that the appeal was without merit, in which case the deposit will be forfeited and paid to a charity nominated by the President.

33. Hearing Of Appeals

33.1 General

On receipt of the duly completed Appeals Form the Tournament Director shall, as soon as possible, inform the Chairman or his designee. The Chairman shall schedule the time and place for the hearing of the appeal and shall so advise the Tournament Director, who in turn shall advise all parties involved of such time and place.

Guidelines for the hearing of appeals and other proceedings of the Committee are set out in Appendix I. Failure to observe such guidelines shall not of itself vitiate any decision of the Committee. However, if in the opinion of the President or the Chairman there may have been non-observance of the guidelines capable of seriously prejudicing the rights of any party appearing before the Committee, then the President or the Chairman may, in his discretion, direct that the proceedings in question be reheard, in which case the decision of the Committee on the rehearing shall replace the decision on the first hearing.

On an investigation made otherwise than on appeal, the Committee may impose such penalty on any party, or direct that an adjusted score be entered for any boards, as it shall deem proper. In any case in which it considers the circumstances to justify or require it, the Committee may (in addition to any other penalty imposed) recommend to the Executive Council the suspension of any player for one or more Sessions of the event, the forfeiture of a match, or the disqualification of a pair or team.

33.2 Failure to attend

If any party to an appeal or other proceeding of the Committee, or any other person whose attendance is required by the Chairman, having been given notice of the time and place of the hearing, fails to appear, the Chairman may:

- a) re-schedule the hearing;
- b) proceed to a decision of the Committee in the absence of the party who failed to appear;
- c) if the party who failed to appear is the appellant, dismiss the appeal without a hearing, and confirm the ruling of the Tournament Director.

A party to an appeal or other proceeding of the Committee or any other person whose attendance is required by the Chairman, who fails to appear, having been given notice of the time and place of the hearing, may be penalized by the Committee. All four players at the table shall consider themselves called to the hearing unless prior consent to the absence of a player or players is obtained through the Tournament Director

In addition to the powers conferred by these Conditions of Contest and the Supplemental Conditions of Contest, the Committee has those powers assigned to it in the Laws of Duplicate Contract Bridge 1997.

34. Appeals To The WBF Laws Committee

An appeal of the Tournament Director's ruling on a point of Law may be taken to the WBF Laws Committee. Such appeal shall be made in writing by the Team Captain, (or designee) or players in a pairs event, and turned over to the Tournament Director, who

will then file the appeal with the Chairman of the WBF Laws Committee, or the President. At least two members of the WBF Laws Committee shall constitute a quorum, and there is no further appeal on matters of Law.

35. Appeals Of These Conditions Of Contest

An appeal of the Tournament Director's ruling on, or an interpretation of, these Conditions of Contest or any Supplemental Conditions of Contest or any technical operation of a World Bridge Championship, shall be made in writing by Team Captain, (or designee) or players in a pairs event,. Such appeal shall be turned over to the Tournament Director who will then file the appeal with the Chairman of the Tournament Rules and Regulations Committee or the President. Unless the Chairman and the President are of joint opinion (which shall be final) that the appeal has no merit, the appeal shall be heard by the members of the Executive Council and the members of the Tournament Rules and Regulations Committee present at the site of the World Bridge Championship, sitting as a single body. The President shall preside over this meeting and decisions reached shall be final.

36. Eligibility For Awards

The WBF will establish, for each World Bridge Championship, a scale of WBF Master Points Awards in accordance with the WBF Master Point Plan.

Gold, Silver and Bronze Medals will normally be awarded for WBF Championships.

In all teams events, the winning team in the final will be awarded the Gold Medal and/or Trophy. The losing finalists will be awarded the Silver Medal. For the play off regulations to determine the Bronze Medallists, see Section 37

In all pairs events, the winning pair shall be awarded the Gold Medal and/or Trophy or prize, the second placed pair shall be awarded the Silver Medal and the third placed pair the Bronze Medal.

37. Play off Regulations for 3rd place

The detailed play off Regulations for bronze medals or 3rd place as appropriate will be contained within the Supplemental Regulations for each WBF Championship.

These will normally be as follows:

- For the Bermuda Bowl, Venice Cup, World Seniors Bowl, World Teams Olympiad, Rosenblum Teams, McConnell Teams and the World Junior Championships there shall be a play off between the losing semi-finalists for the bronze medal.
- For the World Transnational and similar events played using the Swiss Format, the bronze medal will be awarded to the losing semi-finalists having the highest ranking in the qualification phase.

38. Authority Of The WBF Executive Council

The WBF Executive Council reserves the authority to modify or supplement these Conditions of Contest and the Supplemental Conditions of Contest, at any time.

39. Responsibility Of The WBF

The WBF schedules a World Bridge Championship to occur at a particular time and place. However, the WBF makes no warranty to any participating NBO, team, pair or

person, that any particular World Bridge Championship will take place as scheduled and accepts no responsibility for any loss or expense should it not do so.

40. Appendix 1 - Guidelines for hearing appeals and other proceedings of the Committee

(See Section 33 of these General Conditions of Contest)

1. An appeal shall consist of the hearing of the evidence and argument; the deliberations of the Committee; and the announcement of the Committee's decision.
2. The Chairman may in his discretion require the attendance of specified parties at the hearing of an appeal. The parties who will normally be present during the hearing of evidence and argument shall be:
 - a) the appellant pair;
 - b) the respondent pair;
 - c) the respective Captains (if a team tournament);
 - d) an interpreter, if in the judgement of the Chairman this is necessary to ensure adequate understanding of the proceedings by any party thereto;
 - e) the Tournament Director who gave the ruling appealed against, and the Senior Tournament Director on duty;
 - f) any other person who in the judgement of the Chairman is able to assist the Committee in determining the facts;
 - g) the members of the Committee hearing the appeal;
 - h) the Scribe recording the proceedings
3. Once the hearing of the evidence and argument has begun, no additional member of the Committee shall join the Committee hearing the appeal.
4. The Chairman shall preside over the appeal, and the order of proceedings shall be:
 - a) distribution of copies of the relevant Appeals Form (the Tournament Director shall, prior to the hearing, have whenever practicable given the respondent a copy of the Appeals Form);
 - b) identification of the appellant and the respondent; and the introduction of all present by the Chairman;
 - c) statement of the facts by the Tournament Director who gave the ruling appealed against;
 - d) questions to the Tournament Director from the Committee;
 - e) opportunity for the appellant and the respondent to register agreement or disagreement with the Tournament Director's statement of facts;
 - f) the testimony of any special witness invited by the Chairman to assist the Committee; then as in (d) and (e) above;
 - g) the case for the appellant;
 - h) questions from the Committee;
 - i) the case for the respondent;
 - j) questions from the Committee;
 - k) any further questions or comment elicited by the Chairman;

- l) after hearing the evidence and arguments, all persons other than the members of the Committee shall leave the appeal room, unless the Chairman requests the Tournament Director to remain during all or part of the Committee's deliberations;
 - m) the Committee, having reached its decision in accordance with Section 31.1, shall communicate this to the parties (if still present) and the Tournament Director, together with a brief statement of the reasons by the Chairman. It shall be the responsibility of the Tournament Director to communicate the decision to any absent party.
5. These guidelines are intended to assist the Committee to conduct appeals fairly and courteously.
 6. If the Committee is conducting a proceeding which is not an appeal of a ruling of the Tournament Director, the above guidelines may be modified by the Chairman as appropriate to achieve fairness.
 7. References in these guidelines to the Chairman include the Chairman of the Tournament Appeals Committee and any designated Chairman referred to in Section 31.1 of these General Conditions of Contest.

Players are encouraged to refer to the Code of Practice for Appeals Committees. This can be obtained from Internet at www.bridge.gr or from www.ecatsbridge.com (documents section) or by contacting Anna Gudge, The Old Railway Station, Long Melford, Sudbury, Suffolk C010 9HN, England. 41. Appendix 2 – WBF Systems Policy 2000

(Adopted December 1994; amended October 1996 and January 2000)

41.1 Objectives

The objectives are to ensure that WBF Championships can be properly operated and adequately administered, with a fair and equal chance for all competitors, while at the same time affording proper consideration to progress and innovation; to ensure that players are in no doubt as to what is expected of them with regard to preparation and filing of systems material for WBF Championships.

Additions or amendments to this policy will normally be put into effect only after four months' notice.

41.2 Definitions

Average Hand	a hand containing one card of each rank
Weak	high card strength below that of an average hand
Strong	high card strength a king or more greater than that of an average hand
Natural	a call or play that is not a convention (as defined in the Laws)
Length	three cards or more
Shortage	two cards or less
Long Match	a match of 17 or more deals
Short Match	a match of less than 17 deals

For the purpose of this Policy, a Highly Unusual Method (HUM) means any System that exhibits one or more of the following features, as a matter of partnership agreement:

- a) A Pass in the opening position may have the values generally accepted for an opening bid of one, and the player who passes may hold values a queen or more above the strength of an average hand (an average hand contains 10 HCP)
- b) By partnership agreement an opening bid at the one level may be weaker than pass.
- c) By partnership agreement an opening bid at the one level may be made with values a king or more below average strength.
- d) By partnership agreement an opening bid at the one level shows (a) either length or shortage in a specified suit or (b) either length in one suit or length in another

41.3 Classification of Systems

In order to facilitate recognition and handling, systems material will be identified by one or more of the following:

- a) a WBF coloured sticker;
- b) the appropriate name (hand printed or typed) colour;

- c) a check mark on a convention card next to the appropriate colour - in keeping with the following descriptions:

Green	Natural
Blue	Strong Club/Strong Diamond, where one club/one diamond is always strong
Red	Artificial: this category includes all artificial systems that do not fall under the definition of Highly Unusual Methods (HUM) systems [see definition below], other than Strong Club/Strong Diamond systems (see 'Blue'). Examples would be a system where one club shows one of three types - a natural club suit, a balanced hand of a specific range, or a Strong Club opener; or a system in which the basic methods (other than the no trump range) vary according to position, vulnerability and the like; or a system that uses conventional 'weak' or 'multi-meaning' bids (with or without some weak option) in potentially contestable auctions, other than those described in the main part of the WBF Convention Booklet
Yellow	Highly Unusual Methods ('HUM') as defined above.

41.4 Brown Sticker Conventions and Treatments

The following conventions or treatments are categorised as 'Brown Sticker':

- a) Any opening bid of two clubs through three spades that:
- (i) could be weak (may by agreement be made with values below average strength) AND
 - (ii) does not promise at least four cards in a known suit.
- EXCEPTION:** The bid always shows at least four cards in a known suit if it is weak. If the bid does not show a known four card suit it must show a hand a king or more over average strength. (Explanation: Where all the weak meanings show at least four cards in one known suit, and the strong meanings show a hand with a king or more above average strength, it is not a Brown Sticker Convention.)
- EXCEPTION:** A two level opening bid in a minor showing a weak two in either major, whether with or without the option of strong hand types, as described in the WBF Conventions Booklet.
- b) An overcall of a natural opening bid of one of a suit that does not promise at least four cards in a known suit.
- EXCEPTION:** A natural overcall in no trumps.
- c) Any 'weak' two-suited bids at the two or three level that may by agreement be made with three cards or fewer in one of the suits.
- d) Psychic bids protected by system or required by system.
- e) None of the foregoing restrictions pertain to conventional defences against strong, artificial opening bids or defences against 'Brown Sticker' or HUM conventions.

Additional to the classification of systems in 41.3 above, any partnership using one or more 'Brown Sticker' conventions must indicate this alongside its system classification.

41.5 Encrypted Signals

Additional to the restrictions on bidding methods and conventions above, players may not use signalling methods by which the message or messages conveyed by the signals are hidden from the declarer because of some key available only to the defenders (i.e. encrypted signals are not allowed)

41.6 Systems allowed at WBF Championships

In relation to the aspect of Systems to be allowed at WBF Championships, the events will be divided into three categories:

Category 1: Bermuda Bowl, Venice Cup

For such events all classifications of systems will be permitted, subject to adequate disclosure, but teams using HUM systems must submit their Convention Cards in advance in accordance with the Conditions of Contest and will be subject to a reduction of seating rights, as follows:

Whenever a team with one or more pairs using a HUM system opposes a team that has no such pair, the HUM systems team will be the 'Away' team, and lines up first throughout.

No special seating rights or line-up restrictions shall apply when two teams containing HUM systems pairs (regardless of line-up) oppose one another.

Category 2: Knock-out matches of the Olympiad, of the Rosenblum Cup and of the McConnell Cup and other Teams Championships as decided by the WBF Rules and Regulations Committee:

The use of HUM systems is prohibited.

'Brown Sticker' conventions will be permitted, subject to adequate disclosure, but players using them must submit their Convention Cards in advance in accordance with the Conditions of Contest.

Category 3: Olympiad (Round-Robin), all Pairs Championships, Junior Teams Championships, Rosenblum Cup and McConnell Cup (short matches), at Transnational events and the IOC Grand Prix

The use of both HUM systems and 'Brown Sticker' conventions is prohibited.

41.7 Systems Material

For all Category 1 Teams events, where Yellow (HUM) systems are permitted, any pair using a HUM system is required (in addition to the normal timely filing of the Convention card and Supplementary Sheets) to submit **the full system** in English at the beginning of the Championship.

Pairs using Green, Blue or Red systems are encouraged to submit their full system in English at the beginning of any WBF Championship.

In decisions taken by Tournament Directors and by the Appeals Committee, pairs who have submitted their full system will be given the benefit of any support this provides for an explanation given at the table, as far as this goes.

41.8 Convention Cards/Supplementary Sheets

The principle of adequate disclosure requires that competitors fully disclose **all conventions and treatments requiring defensive preparation**. In addition to the Convention cards, pairs will use Supplementary Sheets to achieve this objective.

The use of Supplementary Sheets is not strictly limited for all events, provided that the entries are properly numbered to correspond to appropriately cross-referenced numbers on the Convention card itself. The sheets must readily legible and the numbered entries must be separated by discernible heavy lines. While brevity is encouraged, particularly for Category 2 and Category 3 events, full disclosure must not be prejudiced in any way as a result.

All conventions and treatments requiring defensive preparation must be listed on the front right part of the WBF Card. They must be explained and fully developed (including competitive agreements) either in the appropriate section on the outside or inside of the card, or, where there is inadequate space there, in the first numbered entries on the Supplementary Sheets.

The front right part of the Convention Card must include:

- i) All artificial openings (except strong one club/two club openings)
- ii) Response to natural openings which are weak and conventional
- iii) All conventional defensive bids used over natural openings of one of a suit making sure that all two suited intervention is detailed precisely; the best way to do this is to write: 'Two Suiters' and include a reference number to an early Supplementary Sheet entry, which will provide the particulars).

If a pair uses any bid which should have been listed here, but which has been left out, and their opponents do not get to their best contract, there will be a strong presumption that the opponents have been damaged by not being able to prepare a defence. The offending pair may also be liable to incur a procedural penalty.

Any pair playing a HUM system or 'Brown Sticker' convention has a special obligation to present a complete description of both their bids and subsequent developments (especially competitive developments). If a pair uses an auction that is not fully described, then the same presumption of lack of advance notice (with adjustments and penalties as described in the preceding paragraph) shall apply.

For each tournament, the Conditions of Contest will state the date by which, and the address at which, systems material and Convention Cards (together with telephone and fax number or email addresses of the individuals best equipped to deal with queries regarding the system) must be received. The onus is jointly on the pair, the non-playing captain (where relevant), the NBO and the Zonal Organisation to obtain the information required to meet this deadline. Failure to meet this deadline will result in automatic penalties, which will be fully described in the Conditions of Contest. Problems with systems should be referred to the Chairman of the Systems Committee or his nominee in accordance with details given in the Conditions of Contest.

After the closing date for submission of systems, the following will be the policy governing any changes to the Convention Card and Supplementary Sheets:

- a) Deletion of an item or a statement will be permitted upon application to the Chairman of the Systems Committee or his nominee
- b) A change replacing an agreement with another or to introduce a fresh agreement, where the new material is not Brown Sticker, will normally be permitted. The permission to use the new agreement will operate at the discretion of the Chairman, but will normally be from the morning of the second day after notification of the change is issued to other contestants
- c) Neither the replacement of a Brown Sticker convention with another Brown Sticker convention, nor the introduction of a new Brown Sticker convention will be permitted

It is strongly emphasised, and all contestants must note, that the policy stated above will be rigorously applied.

41.9 Defence against Yellow (HUM) Systems and Brown Sticker Conventions

For Team events in Category 1, the following regulations will apply to defensive measures against HUM systems.

- (i) A pair opposing a HUM system pair will submit two (clearly legible) copies of their defence to the HUM system at an appropriate time and place prior to the start of that segment, to be specified in the Conditions of Contest. Such defences are deemed to be part of the opponents' convention card.
- (ii) In preparing the defence against a HUM system, pairs using Green, Blue or Red systems are allowed to change their systems, including opening calls. Pairs using a HUM system are not allowed to change their opening calls.
- (iii) The pair using a HUM system must inform the opponents in writing (two clearly legible copies) about their counter-defence at the table prior to the start of the session. In preparing their counter-defence, the pair using a HUM system is not permitted to change any of the highly artificial aspects of its system.

For Teams events in Category 1 and Category 2, the following regulations will apply in relation to defensive measures against Brown Sticker Conventions:

A pair may prepare written defences against the 'Brown Sticker' elements of any system. Such defences will have to be given to the opponents (two clearly legible copies) at an appropriate time and place prior to the start of that segment, to be specified in the Conditions of Contest. Written defences against Brown Sticker conventions are deemed to be part of the opponents' convention card.

41.10 Number of systems allowed per team

For Category 1 events, a maximum number of four Red or Yellow Systems, of which only three may be Yellow, will be permitted for each participating team. A System, for the purpose of this section, may include different methods for different vulnerabilities.

Both members of the partnership must use the same methods.

42. Appendix 3: WBF Alerting Policy

42.1 Preamble

- a) The objective is to have a uniform WBF policy which is applied to all WBF events.
- b) It is not intended that this should over-ride Alerting Policies developed by the Zone or NBOs.
- c) Players who participate in WBF events are expected to protect themselves to a large extent. They are also expected to observe the spirit of the Laws as well as the letter. Full disclosure is vital.
- d) The Policy has been made as simple as possible. Players, however, are expected to alert whenever there is doubt. (N.B. Where screens are in use, an alert on one side but not on the other does not necessarily imply an infraction.)

42.2 Policy

The following classes of calls should be alerted:

- a) Conventional bids should be alerted, non-conventional bids should not. (A Convention is a call that serves by partnership agreement to convey a meaning not necessarily related to the denomination named.)
- b) Those bids which have special meanings or which are based on or lead to special understandings between the partners. (A player may not make a call or play based on a special partnership understanding unless an opposing pair may reasonably be expected to understand its meaning, or unless his side discloses the use of such call or play in accordance with the regulations of the sponsoring organization). See Law 40(b).
- c) Non-forcing jump changes of suit responses to opening bids or overcalls, and non-forcing new suit responses by an unpassed hand to opening bids of one of a suit.

The following calls should not be alerted (except when screens are in use):

- a) All doubles.
- b) Any no-trump bid which suggests a balanced or semi-balanced hand, or suggests a no-trump contract.
- c) All bids, with the exception of conventional opening suit bids, at the four level or higher.

43. Appendix 4. Psychic Bidding

Psychic bids are specifically permitted by the Laws of Duplicate Contract Bridge, provided that any partnership understandings or agreements are disclosed. It would be inconsistent therefore if the WBF forbade psychics in its own tournaments.

Some partnerships of reasonably long standing develop understandings that psychic bids in certain situations will be of a certain type. These are developed partnership understandings and not conventions, and should be explained on the Convention Card and on the Supplementary Sheets. In other words the psychics should be made randomly but any understandings about them should be revealed.

Where partnerships have agreements that psychic bids are expected or are likely in specific situations or where the psychics are protected by System then a convention has developed. Such psychic understandings are classified as Brown Sticker Conventions and are therefore forbidden in certain events. The type of agreement referred to, for example, is where, third in hand at favourable vulnerability, a player is expected to open the bidding on anything at all.
