

By investing in people across South America, the CSB will build strong event teams for consistently smooth, successful service delivery to all our bridge players

CSB Tournament Director Programme

By Maurizio di Sacco

This presentation will

- Outline the benefits for

- NBOs
- Players
- Future event management

of an integrated programme across all of the CSB Bridge nations

- by introducing a structure from which to build a successful programme

Programme Objective

- Centrally created, locally delivered
- Easily adoptable in every NBO
- Consistently competent TDs who can run events
 - Across NBOs
 - Internationally at Zonal Championships

Level 0 training

Education of Players

- Encourage clubs to raise players' awareness of irregularities and misuse or abuse of bridge laws
- Appropriate communication with partners, the opponents and the TD

“NBOs who offer bridge law education are doing a great service to their players at all levels of the game”

Level 1 training

Education of Club TDs

- To act as NBO representatives locally by setting standards & training including regular
 - Ground, Refresher courses
 - Examinations
 - Updates of teaching material
- Expert TDS of the NBO are perfect trainers

“CSB developed, locally delivered TD education creates synergy between best practice and local reality”

Level 2 training

Education of National TDs

- To act as a link between CSB & NBOs through
 - being involved running national events
 - Updates on laws & contributions to proposals
- To develop staff for CSB events
 - through regularly CSB training and assessment
 - Experience at running NBO events

“An NBO is well represented by a competent TD. This competence spreads out very fast across a country to both aspiring Directors and players”

Level 3 training

Regional TD courses 3 - for aspiring Level 2 TDs

The aim:

- to improve knowledge & problem solving
- to standardise the interpretation of rules in NBOs
- to develop participants competence as teachers
- to find suitable qualified TDs for level 4

“NBOs with CSB certified TDs will enjoy strong relationships with their international counterparts”

Level “4” training

Central TD courses “4” - for promising Level “3” & suitably experienced NBO International TDs

The aim:

- to examine & qualify TDs for CSB Championships
- to discuss highly complex cases
- to share best practice by highest level TDs
- to collect opinions about minutes of WBF LC

“NBOs with CSB certified TDs will enjoy a closer contribution to the future of bridge”
