Dear Mr Kamras,

I thank you for the opportunity to put myself forward as a candidate for the upcoming election as a WBF EC member.

I have been involved in the management of the South African Bridge for the past 30 years

I have been President of the South African Bridge Federation for 2 terms amounting to 10 years. I am still an active member on the committee.

I am the Secretary for the African Bridge Federation and have been since 2009, and continue to serve in that capacity.

I achieved my south African colours in 2005 and played for S.A twice in the Venice cup and D'Orsi bowl.

In 2017 I with my excellent committee, hosted the African Bridge Federation Trials, in Cape Town and were privileged to have Mr Rona Gianarrigo and his team presenting a very successful 3 day seminar to our players.

Once again, I thank you for this opportunity.

Yours faithfully

Helen Kruger
