

World Bridge Federation

BRIDGE CONNECTING GENERATIONS

Play bridge with grandchildren

FACTS

FACTS

Bridge no doubt as a sport discipline is not only high performance one in all age categories, but perhaps above all, the passion that you can realize all regardless of age or physical disability.

FACTS

Bridge no doubt as a sport discipline is not only high performance one in all age categories, but perhaps above all, the passion that you can realize all regardless of age or physical disability.

It's a game with cards.

FACTS

Bridge no doubt as a sport discipline is not only high performance one in all age categories, but perhaps above all, the passion that you can realize all regardless of age or physical disability.

It's a game with cards.

It stimulates the brain cells which in older people is an excellent prevention of dementia.

5. Increase the basis of the so-created centers of the members of our Association.

THE TARGET AUDIENCE

THE TARGET AUDIENCE

The program is addressed to students of all kinds and levels and for older people aged 50+.

COORDINATION PROGRAM

COORDINATION PROGRAM

Coordination of the program will deal with two people from the Board of NBO responsible for youth and seniors .The rest has to be done by Districts and clubs.

RECRUITMENT TO THE PROGRAM

RECRUITMENT TO THE PROGRAM

We intend to recruit for the program by:

RECRUITMENT TO THE PROGRAM

We intend to recruit for the program by:

1. The program's website on NBO level and individual pages of Districts and clubs.

RECRUITMENT TO THE PROGRAM

We intend to recruit for the program by:

1. The program's website on NBO level and individual pages of Districts and clubs.
2. In Districts and clubs people responsible for the program should get in touch with education offices and/or directly with schools. In some of them bridge is already in and many of them expressed a desire for such activities.

RECRUITMENT TO THE PROGRAM

We intend to recruit for the program by:

2. In Districts and clubs people responsible for the program should get in touch with education offices and/or directly with schools. In some of them bridge is already in and many of them expressed a desire for such activities.
3. Clubs participating in program BRIDGE 60+ can participate in the recruitment of new volunteers and participants also of this program and will encourage young people (children, grandchildren) to learn the game of bridge. To see playing „Grands” is often the best incentive. Bridge teachers in clubs will also be involved in the recruitment campaign.

PLACES TO TEACH AND PLAY

PLACES TO TEACH AND PLAY

Here we have both clubs and schools. Youngsters can come to clubs , bridge teachers can visit schools and finally most of schools have rooms available in the afternoon for bridge lessons if necessary.

COOPERATING INSTITUTIONS

COOPERATING INSTITUTIONS

Apart from the Bridge Federations and the Ministries of Sport (in countries where bridge is recognized as sport) we intend to cooperate in the implementation of the program also with:

- Ministry of Education
- Ministry of Health
- Ministry of Labour and Social Policy
- Local Authorities
- other sports clubs
- Universities of the Third Age

SOURCES OF FUNDING

SOURCES OF FUNDING

Program intend to finance from its own resources allocated to young people and grants by NBOs and cooperating institutions.

In addition, part of the costs relating to the elderly will cover from other sources.

EXPECTED RESULTS

EXPECTED RESULTS

Our aim is:

1. Better introduction of bridge in schools.

EXPECTED RESULTS

Our aim is:

1. Better introduction of bridge in schools.
2. Organizing joint activities and sports competition between youngsters and the elderly as part of the integration of generations.

COSTS OF THE PROGRAM

COSTS OF THE PROGRAM

1. Develop the program's website and leaflets for recruitment.

COSTS OF THE PROGRAM

1. Develop the program's website and leaflets for recruitment.
2. Developing and printing of books for both groups (or use existing ones).
