The meeting was called to order at 10.15am

1. The Chairman raised the issue of the WBFLC's corporate memory and discussed what steps might be appropriate in order to provide for its preservation. Mr Wignall offered to liaise with Mr Endicott and arrange for material of a historical significance to be copied and lodged for safekeeping with the new Secretary.
2. The committee then resumed their discussions regarding the decennial review of the Laws of Duplicate Bridge.
3. At 1.45pm the Chairman closed the meeting and thanked all those who had attended for their contributions.

The Secretary commented that the committee had now considered most of the submitted material proposing a change in the effect of the Law. The items addressed however represented only about 8% of the total number of submissions received, the balance being material that targeted improvements in wording and/or layout while still retaining the current meaning.
