The Teacher

NEVER STOP LEARNING!
Picking the teacher

- Age.
- Certification & Training.
- Salary: The teacher’s salary is based on the school’s commitments and supplemented by support from:
  - The NBO.
  - The Municipality (city council).
Creating a panel of teachers, focused on teaching children, by means of:

- **A youth teacher’s training course** with special emphasis on teaching Bridge to children.
- Periodical seminars specifically designed for specialization in teaching Bridge to children (Tips / Teaching techniques etc..).
The Teacher’s Goals

✓ Motivate the Kids!
✓ Locate and recommend talent development.
✓ Creating **after school** private courses:
  ▪ At least 12 participants.
  ▪ At reasonable rate (about 120 shekels 30€ per month).
  ▪ Suggested locations are at the local community centers, Bridge clubs.
✓ A group of at least 12 kids is essential! – **Huge Dropout!**
Contact Local Bridge Clubs. Once they have mastered the basics, encourage them to take part in local Bridge club competitions - children are quick learners.

“Hand holding” & mentoring is recommended during the first months in the clubs. (It will take about 6 months for them to achieve average results).
