Lausanne, 13th of February 2024

Dear Presidents and Officers,

The WBF NBO Officers' Seminar will be held at the Montien Hotel in Bangkok, Thailand, on May 16th and 17th, 2024, with arrival on May 15th and departure on May 18th, 2024. The seminar will take place prior to the APBF Conference, which begins on May 18th and is hosted at the same hotel.

WBF will cover accommodation and meals for two delegates from each NBO. A third delegate will be accepted upon request, subject to space availability, and at their own expense. Each NBO is responsible for nominating the officers to attend.

The aim of the seminar is to create a platform where NBO officers can gain new knowledge, inspiration, and network. During the seminar, participants can share best practices and discuss how to handle various opportunities and challenges. There will be plenary sessions with speakers and group sessions for more in-depth discussions.

We are in the initial phase of developing the program and welcome ideas for themes. We also seek input on potential speakers. If your NBO has succeeded with a particular approach, project, etc., we encourage you to share that story with other NBOs.

Please contact me if you have suggestions for themes, wish to register as a participant, or provide input on potential speakers. We aim to send out a detailed program, the absolute deadline for participant registration, and other important information by mid-March.

To assist us in our planning, we would appreciate hearing from you regarding the number of delegates you intend to send to the NBO's Officers Seminar as soon as possible. Please email our secretary, Arianna Testa, at: secretariat@worldbridgefed.com

Best regards,

Kari-Anne Opsal
